Did you agree to make calls this week to East Chicago residents once we have an approved script? I will be assigning the volunteers to specific homes.

I can tell you which ones are Spanish-speakers from the list once it's available.

I did not keep good notes on which homes speak Spanish. Maybe if Charles looks at the list he'll remember the names? Or are there notes on the whiteboard in EC?

I already had confirmed with both Janet and Charles. I am working on the list of homes that need to be contacted and making assignments.

Peggy, there is only one home on the list that says they need a Spanish-speaker. You mentioned "a number of homes". Do you have information on which other ones need a Spanish speaker?

Thanks, Phillippa, for reaching out to Janet and Charles.

I think Rita or Tom P are coordinating the callers, so I've included them on this.

My guess is we are still waiting to hear back from IDEM and the city on the script, but not sure.

Peg – both Janet and Charles are working in the office (on 6<sup>th</sup> floor) today and can help make phone calls to residents with their results. Charles can make calls to the Spanish-speaking residents.
